

Summer 2023

Dear Returning Senior,

Greetings! I hope this letter finds you well and you are having an excellent summer. I also hope you are excited to return to PLCC for your senior year. This year will go by very quickly and I look forward to working with you helping you achieve your goals for your final year of high school.

Just a few reminders that will get your senior year off to a great start.

WHEN IS THE FIRST DAY OF SCHOOL?: The first day of school is *Thursday, August 17, LABS ONLY* - NO ACADEMICS IN THE MORNING. Full-day students will get their schedules for academics in their program on the 17th.

WHAT ARE MY STUDENT FEES THIS YEAR AND HOW DO I PAY THEM?: Student fees for this program are \$100. This fee includes textbooks, workbooks, certifications, club fees, uniforms, and miscellaneous lab supplies. Fees can be paid during the first week of school or in installments with cash, check or credit card. See Mrs. Truman in the front office to pay your fees.

WHEN WILL I RECEIVE MY UNIFORM?: Uniforms will be distributed to seniors the first day of school. Wearing uniforms is an expectation in every program at PLCC. Students are expected to fully comply with program and safety attire. Parents, we are asking for your support and assistance in re enforcing the wearing of program uniforms on a daily basis.

ARE THERE ADDITIONAL ATTIRE REQUIREMENTS?: Part of the professional uniform includes shoes. Shoes must be black or white and closed-toe. Athletic (tennis) shoes are permitted. Professional clogs are acceptable. Not permitted: CROCS, UGGs, slippers, casual or decorative footwear, such as canvas prints or "Hey Dudes" shoes.

Please continue to enjoy the rest of your summer and prepare yourself for the most Extraordinary school year yet!

Watch for your summer packet to arrive in early August which will include more important Back To School information.

Sincerely,

Maureen Paczak
