

## Portage Lakes | Career Center

### Portage Lakes Career Center Wellness Plan 2023-2025

1. Continue partnership with PSI in providing nursing services which include an LPN onsite during school hours and access to an RN as needed.
2. Provide mental health counseling beyond access to school counselors with a partnership with a mental health partner.
3. Following our school safety plan (confidential), provide a presence of a safety and security officer during school hours and in the evening hours school is in session.
4. Continue to develop our PBIS to include mental health strategies, activities and incentives to integrate into all aspects of our culture. Creating experiences to be inclusive, kind, responsible, and caring. These include but are not limited to ROX, BIPOC, Unity day (monthly), Wellness Club, and safe ways for students to reach out for help.
5. Provide intervention and support to students who may be at risk of graduation through Credit Recovery.
